Presentation begins at 5:30PM

Chasing the Strongest Storms in the World

September's Teen Science Cafe will feature Dr. Kristen Rasmussen from the Department of Atmospheric Science at Colorado State University.

Thunderstorms in Argentina are among the most intense anywhere in the world. Join us to learn about severe storm formation, severe weather impacts, and an upcoming field campaign in Argentina to observe these powerful storms.

Food and drinks are provided.
Please RSVP so we can plan accordingly.
