

Colorado Global Climate Conference 2008

- **April 18 at RMHS in Ft. Collins for 400 HS students.**
- **CMMAP is the major sponsoring organization.**
- **Scott, Christine & Cindy are the decision-making body for this event.**
- **We will organize a working committee and cadre of volunteers to help organize and run the conference.**

Colorado Global Climate Conference 2008

Immediate action items:

- **Create a charge for the working committee.**
- **Obtain student art work for the conference flier.**
- **Begin publicizing in CO schools in 2 weeks.**
- **Solicit other possible sponsors (Excel, Clif Bar, Ben & Jerry's, Bohemian Foundation, etc.) for travel scholarship funds.**
- **Decide on and invite keynote speaker(s).**

Colorado Global Climate Conference 2008

Less-immediate action items:

- **Create simple job descriptions for volunteers.**
- **Decide on and invite breakout speakers.**
- **Invite Exhibitors.**
- **Engage students and student organizations in planning and running the conference.**
- **Possibly add a career info fair component to introduce students to careers in the physical sciences.**
