

Scientists' Perspectives on Navigating the Science–Policy Frontier

Linse Anderson, CSU, Political Science
Dr. Michele Betsill, CSU, Political Science

Science–Policy Frontier

Research questions

- ▶ How do scientists conceptualize the science–policy frontier?
 - ▶ How do scientists' perspectives about the science–policy frontier influence their policy–related behaviors?
- 

Sample

- ▶ CMMAP–affiliated scientists
- ▶ Scientists at Colorado State University

Methods

- ▶ Survey – online and anonymous
 - ▶ Follow–up interviews
 - ▶ Focus group
-
